

IT'S NOT EASY TO ASK QUESTIONS ABOUT THE WAY MONEY AND FAITH LIVE TOGETHER IN A CHURCH COMMUNITY. BUT THE WAY OUR CHURCHES TALK ABOUT AND HANDLE FINANCES PLAYS A HUGE PART IN HOW WE THINK ABOUT THESE THINGS AS INDIVIDUALS. IF YOU THINK IT WOULD BE HELPFUL, ASK A PASTOR OR SOMEONE ELSE WHO WORKS WITH THE CHURCH'S FINANCES TO JOIN IN ON THIS PART OF THE CONVERSATION.

? WHAT MAKES SHANE'S IDEA of "enough" a radical idea? What kind of response do you think you'd get from friends and family if you lived out a theology of enough?

? HOW DO WE MAKE DECISIONS about what enough looks like as individuals? As communities of faith?

? Ask two or three people to share their responses to this question with the group.

? Talk about the way your faith community deals with money and other resources. What role does money or success play in the life of your church?
