

In the history of the faith, worship has looked like all kinds of things, from celebratory singing and dancing (Psalm 100:1-5), to small groups of people gathering to pray and eat together, to monastics centering their lives completely on God. The Apostle Paul even talks about caring for our bodies as an act of worship (Romans 12:1-2).

THE WORD WORSHIP MEANS WORTHINESS OR "WORTH-SHIP." IN OTHER WORDS, WE WORSHIP SOMETHING WHEN WE DEEM IT WORTHY OF OUR TIME AND ATTENTION.
